## INSTRUCTIONS TO AUTHORS:

Journal of Ankara Medical School publishes original articles of research on clinical and basic sciences and concise case reports.

The language of the Journal is English.

All material should be addressed to the Editor, (Ankara Üniversitesi Tıp Fakültesi Yayın Komisyonu Başkanlığı, 06100-Ankara, Turkey), in three copies and a floppy disk, ideally **Microsoft Word 6.0 or 2.0**. An introductory letter identifying the author(s), their telephone and fax numbers and their address (s) should accompany the manuscript.

Journal accepts the contributions with the understanding that neither the article nor any part of its essential results has been published or submitted for publication elsewhere prior to its appearance in this Journal. Work already presented in a congress or published as an abstract within the context of congress or scientific meetings may be accepted for publication provided that this fact is mentioned.

All materials including text, figures, tables, references and glossy prints of figures should not exceed ten pages. The upper limit for case presentation is three pages.

**Title of the Paper:** Must not exceed 80 spaces. If title exceeds 80 letter space a "running title" fewer than 40 letter spaces should be prepared in order to be placed on top of odd numbered pages.

The names (s) of author(s), including first name (s) must be written below the title. The academic degree(s) of author(s) can be stated as a foot-note with an asterix placed on surname(s) of the author(s). The name and address of Correspondent author should be stated.

**Summary in a foreign language:** An abstract not more than 200 words must be written in English.

**Key Words** not more than five should be added below the summary in alphabetical order.

**Form:** Article submitted must be double-spaced typewritten on standard size paper (21x30 cm). margins 3 cm to the left and 2 cm to the right should be left.

**Illustrations:** Photographs, graphics, and all other illustrations must be numbered according to consecutive appearance order. Graphics and figures should be made on glossy paper, preferably with china ink. Photographs should be made on glossy paper, black and white, with sufficient contrast. A small legend must accompany each figure numbered letters.

The legends must be written on a separate sheet of paper, in the order of appearance within the article.

Figures and photographs must be presented in an envelope. Title of the article and author(s) must be written at the back of the samples with a light pencil.

The place where the illustrations are desired to appear within the text should be indicated by numbering it on left margin.

**Tables:** The tables must be typewritten double-spaced on a separate sheet of paper numbered with Arabic numerals. The contents of the table must be clearly expressed with a short title.

The results of the work must be stated either by table or by explanation within the text. Duplication of the above should be avoided.

The desired place for the tables should be indicated on the left margin of the written text.

**References:** Must be numbered in parenthesis on the same level the manuscript line. In papers representing a research work only those references which deal with the research should be mentioned. References should not exceed 25 in research and 10 in case reports. References should be arranged

sequentially as they appear in the text. Example references are given below:

- Gozal D, Tiser A, Shupak A, et al. Necrotizing fasciitis. *Arch Surg* 1986; 121: 233-5.
- Moon RE, Gorman DF. Treatment of the decompression disorders. In: Bennett BP, Eliot DH, eds. *The Physiology and Medicine of Diving*. 4th ed. Philadelphia: W.B. Saunders, 1993: 454-80.

Reprints are available at prices determined by article length and quantity.
